12/14 Wed

It was half day today. But I had club meeting after school. So I stayed at the school. Elinor picked me up for bowling after the meeting. And we had time to bowling practice. So we went a store and we got cupcakes for the practice. It was the last practice in 2022. She told me there is another volleyball club. The volleyball club that I'm belonging is very expensive. So I'll switch the club. She said it's not hard, just for fun.

12/18 Mon.

In Astronomy class, we watched a movie in the planetarium. It was showing today!! The people say we might not have school. I hope there is no school tomorrow.

12/19 Tues.

I don't have school today!!!! There are so many snow. I'm so excited. We supposed to have winter break from tomorrow. But there is no school today.

So the winter break started => HP have work and I think HB went to his friend's house. So I was alone at home. I cleaned my room and bathroom. And I did little bit my homework. In the night, HF and I watch a movie that set in Japan. The actors who appears in the movie used some Japanese. HD said some Japanese that a actor said. And HD asked me How do you say be quite in Japanese? I told him うるさい。 Then HD said to HM うるさい！ And HM said うるさい！ That was funny. I'm wondering how she knew that word.

12/21 Wed.

Today also I was alone at home. I looked HF information again. I looked up their religion. And the people that have the religion don't celebrate holidays and birthday. My HF don't celebrate any events it's because their religion. I'm still sad because I can't celebrate holidays with my HF. But it is what it is.

12/22 Thu.

Today also my HP had works. In the morning I did my homeworks. And in the afternoon, I went to Target with Naylah. She wanted to buy present for her HF. There were many stuffs and not too expensive in there. I wanna go to there again. Then her host mom took me home, and they gave to me presents. How sweet! I was SOOOO HAPPY!!! Thank you so much ♥♥♥

12/23 Fri

I was alone at home too. I did my homeworks and cleaned my room.

12/24 Sat.

Merry Christmas Eve!! I went to my host grandma's house. My HB got some Christmas presents from his grand parents or uncle. I thought he never could get presents so I was glad that he got presents. When he was opening his presents he looked so happy. He was so cute. My host grandma made メシカス, it's Mexican food. I love this so much! It's really good. And I drank ティー. It's also Mexican. There are many fruits or sugarcane in it. I like it too. 家に帰る車の中では HB が誕生日が 1/7 で「うれしく」って話をしてる時 HB の「学年が 4 年から 5 年になった」と言っていた。HM は「祝ひながら」と「(2 年生) が 5 年になった」と言っていた。 昨日まで雪が、朝まで雪が、夜まで雨が降った。全部雪がなくなりました。
