Ms. Williams wears glasses. A few weeks ago, she went to the zoo near her town. She saw a lot of people round one of the cages. They were laughing. Ms. Williams wondered and went to the cage. There were some nice monkeys in it. Ms. Williams went nearer the cage. Then she saw a small notice on the bottom of it. She went very near and put her head down.

Then one of the monkeys came to the front of the cage, put a hand out, took Ms. Williams's glasses, put them on its face, and jumped up on to a rope.

All the people round the cage laughed loudly. Ms. Williams put her face very close to the notice and read, "THESE MONKEYS TAKE GLASSES".
